Vision

The Museum of the Peace Corps Experience envisions connecting people around the world to inspire service and peace, showing that our common humanity is more fundamental than the cultures and ideas that separate us.

Mission

The Museum collects and preserves stories and objects of material culture donated by Peace Corps Volunteers who have served in communities around the globe. Through exhibitions, educational programming, and community partnerships, the Museum fosters cultural understanding, promotes civic engagement, and explores the lasting impact of Peace Corps service.

Purpose of Role

The Tech Board Member plays a vital leadership role in guiding the Museum’s technology strategy, helping to shape and scale a digital-forward institution that engages global audiences. This role supports the Museum’s digital infrastructure, risk management, innovation, and mission-aligned tech investments.
